AND THIS IS  
we go home  
and we shut our doors  
we don't sleep with them open  
for fear the world sees in  
really sees us  
sees our pain  
sees our mess  
sees the things we can't brush into place  
the art we create we're too afraid to show the world  
see our broken hearts  
we don't open our doors wide  
turn the spotlight on  
and say, "I haven't done laundry in a week. My girlfriend  
left me. I'm not sleeping."  
I just shut the white door  
blue handle  
bed  
ceiling all night.
